Today your child has seen a demonstration of musical instruments. We are an independent registered charity that provides Brass and Woodwind instrumental tuition in over 500 Primary Schools nationwide, and we would like to invite you and your child to a meeting where we will tell you all about our scheme!

The meeting will last for around 45 minutes and there will be an opportunity for your child to try the instruments on offer. Our representative will give a professional assessment of their suitability although we do advise that children should be 7 years of age or older.

The date and time of the meeting is shown on the front of this form.

We hope to see you there and look forward to giving your child the opportunity to begin a musical journey with us!
