SUMMER TERM DATES FOR YOUR DIARY

Dear Parents,

We have had a full calendar of events in the two weeks since returning from half term we have had trips for Years 1, 2, 3, 4 and 5 as well as the Year 6 residential. I am glad to say that on all of these trips the children have been a real credit to the school and received many nice comments from the places we have visited. This is always a huge pleasure for me and the school to hear and I am sure for yourselves as well. The events continue with now only 5 weeks left until we break up for the end of the year. We have BRICS, Sports day, The Book Fair, Meet the new teacher mornings, Leavers assemblies and of course the Year 6 Prom. Letters will be going out for all of these events in due course but if you feel you would like more information please talk to myself or any other member of staff and we will be happy to help.

The Reading Challenge

I know I spoke to you earlier in the year about the Reading challenge we were setting up for all of the kids in the school. This has been very well received by the children and has resulted in a large rise in Reading standards across the school. The role that parents and carers play in Reading is huge and I thank you all for taking the time and effort you have given to it this year. I intend to keep my promise of buying all of those who reach 200 reads at home this year a book.

Currently we have 50 of these 'Bookworms' across the school so a huge well done to them. We have 4 weeks left until the cut off finishes and these books arrive for the children to select. I have attached a picture of the underwater display board as it is today. I think you will notice it is a lot different to the picture you saw at the beginning of the year.
