

# BRADY NEWSLETTER

26th January 2018

Two weeks in school have flown by with the children really flown by since my last news letter. We have had Headteachers and staff from other school's visiting all of whom were very impressed not only with the work the school is doing but also with the impeccable behaviour of the children. We have had Year 2 on an exciting trip to Colchester Castle and some wonderful work being completed around the school including Year 1 searching for Dinosaur remains and Year 5 learning all about Henry 8th and his 6 wives.

The Reading challenge is still proving a huge success so well done to all! As well as thank you to the parents for all of your continued support for the school.

Mr Nunn

- **Monday 16th April INSET DAY**

### Keeping your child safe online.

The internet is an amazing resource which enables children and young people to connect, communicate and be creative in a number of different ways, on a range of devices. However, the internet is always changing, and being able to keep up to date with your children's use of technology can be a challenge. You may sometimes feel that your children have better technical skills than you do, however children and young people still need advice and protection when it comes to managing their lives online.

Issues that your child may encounter on the internet will vary depending on their age and online activities. Nevertheless, one potential online risks is related to **Conduct** as children may be at risk because of their own behaviour, for example, by sharing too much information

Children need to be aware of the impact that their online activity can have on both themselves and other people, and the digital footprint that they create on the internet. It's easy to feel anonymous online and it's important that children are aware of who is able to view, and potentially share, the information that they may have posted. When using the internet, it's important to keep personal information safe and not share it with strangers. Discuss with your child the importance of reporting inappropriate conversations, messages, images and behaviours and how this can be done.

For more information contact our Computing Lead Mr Eden, or visit <https://www.saferinternet.org.uk>

### **Crochet club**

Crochet club would like to say a huge thank you to all those who donated wool recently.

We would also like to inform you that as a celebration of Valentines Day the crochet club have been making a selection of gift items all of which we be available to buy on the 8th and 9th of February and all proceeds will get put back into the Crochet club. All items will be under £2.00. Mrs

### **School clubs**

Many of the school clubs run by the staff are now full, however please do feel free to put yourself down on a waiting list and if someone drops out you will get the place.

These clubs will run till the end of the term in April and we will then start again fresh for the Summer term.

### **School uniform**

I am pleased to say that I have had meetings with some local uniform suppliers and have found a company that can also provide the embroidered school uniform for Brady Premier School wear. I have done this as I have had some parental complaints about the quality of the uniform from Tesco's. The uniform can now be purchased from both places. Samples of this uniform are being sent to the school next week and will be displayed in the front office– we will text you when they have arrived.

The uniform will go on sale in their store during the February half term more details and a flyer will follow in the next week or so.
