

BRADY NEWSLETTER

4th October 2020

Dear Parents,

It's hard to believe that the month of September is already behind us as we push on towards the October half term. We have had three very important visitors in the past two weeks who have come to see the school in action— including our new Nursery. They have all be blown away by the behaviour of the children and their enthusiasm to learn. They have commented highly on the work the staff are doing and the peaceful and respectful nature of the school. We have had 'Shared Learning' sessions for some of the classes and would like to thank all of the parents, grand parents and siblings who attended, the children love having you in for them, and as a school we value your support.

Be sure to keep looking at the schools Twitter feed which gets updated a lot throughout the week. We are always happy to add new people to our followers list.

As I am sure you would have seen, our new redesigned website is now up and running and has lots of information on it for you and your children to use.

Michael Nunn
Headteacher

The Building Project

The building project continues to gather pace as the school pushes towards its expansion in September 2020. So far the building work has gone very well and is on schedule for us to move into our new state of the art building in April. At that point the old school will be shut off and the renovations will take place to ensure the school is brand new and of the highest standard throughout.

On behalf of the school and Governors I would like to thank you for your on going support and understanding through the changes, we have tried very hard to keep the disruption to the children to a minimum.

Reception 2020 Intake

If your child was born between 1st September 2015 and 31st August 2016, then they are due to start Reception Class in September 2020.

On Tuesday 8th October 2019, we will be holding an Open Evening for prospective parents between 5-6pm.

The evening is open to all parents interested in their child starting in Brady Reception class in September 2020.

Feel free to come along and have a tour with our pupils and have any questions answered by our current Reception teaching team and myself.

We look forward to meeting you all

July 22nd

Earrings

We are having an issue with earrings in the school at the moment. The children in every class from Nursery to Year 6 take part in PE lessons each week and it is a health and safety risk for them to be wearing earring. The school rule is very clear around no hooped earrings and no bracelets or bangles at anytime. If your child has studded earrings that you cannot take out please provide them with tape to cover their earrings for PE each week.
