

Year 1 Homework Tasks

In Year 1 our topic this term is Moon Zoom! Here are some examples of possible homework that we would like your child to take part in. Please feel free to complete another task that is not stated on this list. These homework tasks should be in addition to the ten minutes a day that you spend reading with your child, spellings are sent home.

Maths

Put the planets into size order

Find out about the astronauts who have walked on the moon see how many different groups you can put them in.

Use space symbols to make a number sentence.

Literacy

With an adult, search the web for fascinating space facts and make your very own space fact book.

Imagine you're an astronaut completing different space missions and make a mini book about your work.

Science

Use an app to find constellations, planets and stars in the night sky. Which constellation is the easiest to recognise? Which star is the brightest?

With an adult, explore the Hubble Space Telescope website. Check out the amazing gallery images!

Moon Zoom!

Literacy

Can you make up a space song or rhyme?

Read a book about space and write a review.

Watch a film about space and write a review.

Describe your own alien.

Imagine you are an alien visiting a new planet and write about your experience

D.T.

Make a telescope from junk cardboard materials and sticky tape. Just before bedtime, use your telescope to look up at the stars. Can you see any wonderful star patterns in the sky? Grab a piece of paper and draw the pattern of stars that you spotted. Take the pattern to school to share with the class.

Research

Visit your local library and search for space-themed books. Read and talk with an adult about the books you find.

With an adult, search the web for fascinating space facts and make your very own space fact book.

Art

Create a picture of the sky at night.

Design your own planet.

Create your own alien.

If you would like any clarification about our approach to homework please feel free to ask.

Hand in date: **Monday 17th December 2018**
