Closing the E-consent portal in 72 Hours
Influenza (Nasal Flu) immunisation for pupils in school years R – 6

Dear Parent/Carer,

We have recently sent you a link to fill in a consent form for your child's Flu Nasal spray or Non porcine Vaccination. Please note we will be closing the E-consent Portal 72 hours before the school session.

If you would like to submit a consent form and have your child protected against Flu this Winter, please use the link below to give consent or decline the vaccine.

Children who have the flu vaccine are less likely to pass the virus on to friends and family, especially those who may be at greater risk from flu, such as young babies, elderly people or friends and relatives with a serious health condition.

Yours Faithfully,

Havering School Immunisation Team
