

BRADY NEWSLETTER

19th December 2019

INSETS DAYS
(School closed)
June 1st
July 22nd

Dear Parents,

We have reached the end of another wonderful term at Brady. The children have been having a great time in school and putting on some excellent Christmas performances that we hope helped get you into the Christmas spirit.

The Autumn term has been a huge success at Brady this year with the children performing excellently and always representing our school so well on all of the numerous trips out. All of the many visitors to the school are always blown away by the children's behaviour and attitude to learning. They always do the school proud.

I would also like to take the chance again to say a huge thank you and goodbye to two members of staff who will not be joining us again in January. Firstly, Mrs Divall who will be starting her maternity leave with the imminent arrival of a beautiful baby girl to add to her lovely family. The second member of staff is Mrs Billyard, for whom it will be an emotional and sad farewell today, as she retires to look after her gorgeous grandson. Mrs Billyard will be sorely missed after working at the school for over 30 years.

On behalf of myself and all of the staff we would like to say a huge thank you for all of the wonderful gifts we have received and wish everybody a very happy and restful break. We hope you all have a great time with friends and family and come back in 2020 refreshed and ready to go again. Our first day back at school will be Monday 6th January 2020.

Michael Nunn
Headteacher

ART RECYCLING PROJECT

In the new year, our school will be collaborating with Branfil Primary School to create a piece of art work showcasing the need to recycle and the damage caused by plastic waste.

One main resource that will be required for one of our projects will be the use of plastic bottle lids.

We kindly ask for any donations of clean plastic bottle lids to be collected over the holidays and handed in during the new year.

Please keep an eye on the school website for updated information regarding the progress of the project.

Thank you.

FOB

All of the FOB would like to say a huge thank you for your support at the school's Christmas Fete. All of the money raised is put straight back into the school and directly benefits all of the children in the school.

Relief Midday Work

If anyone would like to be a relief midday supervisor at Brady, we have a couple of openings on our relief list. If it is something you are interested in, please contact the office and they can arrange a meeting with our Midday Manager, Vicky Lee.

Parent Helpers

Over the years Brady has always welcomed the support of parent helpers to read with the children for an afternoon a week.

Once again, we would like for parents who are interested in reading with children to let a member of school staff know and your name will be added to the list. It's a great opportunity to see children across the school working hard, as always.
