- 18.12.19– KS1 Nativity 2.30
- 19.12.19– Santa Visit

Dear Parents,

As the school continues to move through the Autumn term, the children and staff are working really hard and school is a great place to be at the moment. The preparations for Christmas continue with the Key Stage 1 Nativity and the Key Stage 2 Carol Concert on the horizon. We also have a number of class assemblies to look forward to, the dates for all of these events can be found on the side of the page and on the school website.

The building work continues to roll on at pace with the staff having a chance to go and see our purpose built facility first hand this week. The time frame we are working to currently is that the staff and children will transition into the new building in March 2020. More details about this will come out to parents when the processes have all been formally agreed by the local authority. The building is looking really good and soon the children will be able to experience the state of the art facilities for themselves. When the project is near completion, we will also hold open events for the parents to come and have a look as well.

Michael Nunn
Headteacher

ART RECYCLING PROJECT

In the new year, our school will be collaborating with Branfil Primary School to create a piece of art work showcasing the need to recycle and the damage caused by plastic waste.

One main resource that will be required for one of our projects will be the use of plastic bottle lids.

We kindly ask for any donations of clean plastic bottle lids to be collected over the holidays and handed in during the new year.

Please keep an eye on the school website for updated information regarding the progress of the project.

FOB

Just a quick reminder from FOB that the School Christmas Fete will be taking place on Friday 13th December from 2.00– 4.00 in the school hall. **All children will need to be picked up at 2.00pm on that day.**

Reception 2020 Intake

If your child was born between 1st September 2015 and 31st August 2016, then they are due to start Reception Class in September 2020.

On Wednesday 11th December, we will be holding an Open Evening for prospective parents between 5.00-6.00pm.

The evening is open to all parents interested in their child starting in Brady Reception class in September 2020.

Feel free to come along and have a tour and have any questions answered by our current Reception teaching team and myself.

Relief Midday Work

If anyone would like to be a relief midday supervisor at Brady, we have a couple of openings on our relief list. If it is something you are interested in, please contact the office and they can arrange a meeting with our Midday Manager, Vicky Lee.
