SPORTS PREMIUM OVERVIEW 2019/20

Our PE Vision:

To ensure the teaching and learning of PE and Sport becomes an embedded part of culture, where the child can progress and develop in all personal, social, cognitive and physical aspects and fundamentally, enjoy being active. Qualities of discipline, resilience, communication, team work and ambition will lead to improved concentration, attitude and academic achievement.

The national curriculum for physical education aims to ensure that all pupils:

- develop competence to excel in a broad range of physical activities
- are physically active for sustained periods of time
- engage in competitive sports and activities
- lead healthy, active lives

Background

The Department of Education is continuing to provide all primary schools with additional funding to improve the provision of PE and sport. The funding calculation is based on the number of children at the school. For 2019-20, Brady received £14,049. Due to our on-going commitment to enriching the provision of sport at Brady we topped up our budget to ensure first quality sports can be accessed by all. We are committed to using this resource in developing high quality P.E, alongside greater opportunities for sporting competitions and clubs for children.

Expenditure

As a school, we decided to spend the funds on:

- Expert coaching for years 1 – 6 provided by Foundation Sports
- High quality sports based after school clubs – these are accessible to all, and varied on a termly basis.
- CPD opportunities for all staff
- P.E/ sporting equipment
- Increased provision of specific P.E equipment
- Curriculum Development
- Lunchtime sports activities for all year groups with specialist coaches#
- Extra participation in Borough wide events to raise the profile of sport across the school.

Impact

- Lunchtime football tournaments to give all children the opportunity of participating in competitions;
- Netball, Tag Rugby, Kwik Cricket, athletics, football borough tournaments have Brady teams entered
- Years 4 and 5 participate in swimming lessons.
- Children through P.E lessons are able compare their performances with previous ones and demonstrate improvement to achieve their personal best
- '5-a-day' programme is embedded within classroom practice where children participate in quick inclusive activities that they can warm up and complete throughout the day.
- Increased pupil awareness of the importance of sport in achieving a healthy lifestyle.
- We have Y6 Sports Leaders that lead on P.E. raising the profile across the school.

Further information on Brady's sports provision and the progress of our pupils can be found under the class articles and curriculum tabs of the school website.
